

Commemorative Brick

Connecting . . . the Past to the Future

The Ex Students Association invites you to become a permanent part of the new Kaufman High School building by purchasing a commemorative brick for the walkway that will be located on the grounds of the new school that is currently under construction. Purchasing a brick is an easy way to leave a lasting family legacy on the KHS campus and, at the same time, help pay for the scholarships awarded to KHS students each year by the Ex-Students Association. At the present time, the exact location and design of the walkway is not known, but we are certain that the permanently set bricks in the walkway will be a prominent display of your pride, commitment and precious memories of Kaufman High School. These commemorative bricks will be sold exclusively through the KHS Ex Students Association. It could be a couple of years before the new school is completed and the walkway in place. Specific dates will be announced as that information is available.
